

Surgery Grand Rounds 2010-2011

The purpose of Grand Rounds and M&M Conference is to provide surgeons and residents with up-to-date knowledge of surgical issues encountered in academic practice. It is expected that by promoting awareness of current advances in surgery, patient care will improve and mortality and morbidity will be reduced. CME Course: MGR11045

Wednesday mornings, 7am - 8am TOLAND HALL (U-142)

		Topic / Title	Speaker/moderator
